# Coseres) 

## 4" Square Welded Boxes

4" square welded junction boxes can be installed in walls or ceilings for lighting fixtures, switches, receptacles or other outlet devices Square boxes are used to bring power to a number of electrical devices where multiple conductor runs are split in two or more directions

## Features

- Welded
- 1-1/2" deep
- Available in multiple KO sizes, with brackets, NM clamps, MC clamps, eccentric KOs and pigtail where noted

## Standard Materials

- Galvanized Steel
