

## 3" x 2" Gangable Switch Boxes (1 1/2" Deep)

3" x 2" Switch boxes can be installed in walls or ceilings for lighting fixtures, switches, receptacles or other outlet devices. Switch boxes are used to bring power to a number of electrical devices where multiple conductor runs are split in two or more directions. The adjustable plaster ears allow for an easy "cut in" when switches or outlets need to be added. 2" boxes are gangable.

### Features

- Boxes – 1-1/2" & 2" deep
- Boxes – 7.5 - 10 cu in.
- Available with adjustable plaster ears, NM Clamps, MC Clamps where noted

### Standard Materials

- Galvanized Steel
